SKILLS

- ❖ java
- ❖ Python,
- ❖ C++
- ❖ HTML, CSS, JAVASCRIPT

Tools & Platforms:

- Git
- VS code
- Windows

EDUCATION

- ❖ Bachelor of Computer Applications | Institute of Management Studies Noida **Oct '22 -Jun'25**
- ❖ XII ((WBCHSE)) | *Khamarchak high school* **92%| 2022**

EXPERIENCE

Python Developer Intern | *Future Intern*

Aug '24 – Sep '24

- ❖ *Developed projects using Python, enhancing logical thinking and hands-on programming skills.*
- ❖ *Strengthened knowledge of core Python concepts such as loops, functions, and user input handling.*

ACADEMIC PROJECTS

- ❖ **E-Commerce Website**
Technologies: HTML, CSS, JavaScript, Node.js, Express.js, MongoDB
 - Developed a full-stack e-commerce application with product listing, cart functionality, and checkout options including Cash on Delivery, Google Pay, and PhonePe. Implemented delivery address management, order flow, and responsive design for enhanced user experience.
- ❖ **Eduvia – BCA Notes & eBook Platform**
Technologies: HTML, CSS, JavaScript, Google Drive (Backend integration)
 - Created a student-centric platform for accessing BCA syllabus and notes, with subject-wise organization and download/view functionality. Integrated a responsive contact form and backend document handling via Google Drive API.
- ❖ **Personal Portfolio Website** HTML || CSS
 - Built a responsive portfolio website to showcase academic and personal projects. Included sections for project highlights, a contact form, and downloadable resume to facilitate recruiter engagement.

CERTIFICATIONS

- ❖ **Android App Development with Kotlin – IIT Bombay (Online Training)**

ACHIEVEMENTS

- Solved 200+ coding problems on LeetCode, showcasing strength in algorithms, DSA, and problem-solving.
- Solved 200+ coding problems on GeeksforGeeks, demonstrating consistent practice and conceptual depth.

Extracurricular Activities & Social Engagements

- ❖ Participated in Women's Equality Day (Aug 2022), Green Christmas (Dec 2022), and Consumer Awareness (Jul 2022) programs, contributing to community engagement, sustainability, and ethical consumer education initiatives.

SOFT SKILLS

- Effective Communication
- Team Collaboration
